Hello Des

Speaking on behalf of all the ABC Somerfield teachers, I would like to thank you once again for providing a wonderful professional service and lovely photographs for our families.

The children enjoyed the fun photo session and individual portraits were very pleasing indeed.

I am sure our families will value these snapshots of their child's preschool years for many years to come.

We look forward to you returning during 2016.

Kind Regards

Lynda, Sarah, Patrice and Hannah

Hi Des,

Seasons greetings to you and your team.
Promo materials as requested following...

Des has taken our centre photos for the last eight years.
He works with the children in a fun and entertaining manner, putting them at ease and getting those all-important smiles.
The ordering process is easy to implement with clear and easy to follow instructions.
Des keeps in touch, clarifies details, checks and double-checks orders, such that we have not had any incorrect products for parents.
Everyone has been very satisfied.

Take care Des and we'll look forward to seeing you next year ☐

Hi Des,

We are more than happy to support your work with this reference:

Des Ellery has been our photographer for the past 27 years at Kidsfirst Kindergartens Cashmere. The families are always thrilled with the quality of the photographs. Des is extremely reliable and helpful and does an amazing job of getting all children (even unwilling ones!) in the group photo every year. We recommend him without reservations.

Hi Des

It is a pleasure to write a reference for you.

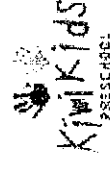

Des has been photographing the children individually and within class groups at Kiwi Kids for the past three years.

Each year Des has been professional and produced photographs of a very high standard. All parents have been very impressed with the photos and the quality of the final prints. Parents look forward to being able to order these each year. Des is very efficient with his communication, the ordering process is very simple and the time to process all the orders is very quick.

We will continue to ask Des Ellery Photography to be our Centre's photographer.

Kind Regards

Desley

Des Ellery Photography

Dec 2015

Des has taken individual, family and class photos at Kidsfirst kindergartens Wales Street for many years.

His photos are always of a high quality. They are crisp and clear, he has the ability to make the children laugh and captures their smiles perfectly. There are always a high number of orders from families. We have ex families who come back for photos every year (they take their children out of school for this).

His communication is exceptional. Information arrives in the mail prior to the booking. This includes posters, hand-outs for the families and ordering information. He checks in with staff to see how orders are going and confirms pick-up.

Des is punctual and efficient. The proofs arrive 1-3 days after the shots are taken. Families have enough time to make their orders and several options are available e.g. portrait pack, individual photos, enlargements etc. He picks up the orders on the allocated day and has the prints back for families 1-3 days after this.

The kindergarten receives a commission from orders and Des supplies a voucher for a free sitting for the kindergarten to use as a fundraiser.

Kidsfirst Kindergartens would highly recommend Des Ellery Photography.

Des Ellery Photography

Des has been taking Swannanoa School's group class, staff and school-wide individual portraits for many years. During this time we have found his work to always be of high quality, promptly delivered, and we consider excellent value.

We would happily recommend Des to any group who was looking for a photographer.

To Whom It May Concern,

Re: Des Ellery Photography

Des Ellery has been the photographer of choice of Burwood School since 2007. In that time he has taken class, individual and whole school photos.

In his capacity as our school photographer we have found him to be very accommodating with dates and sometimes late changes of date.

Des organises and sets up the venue the school has chosen for the various types of photo setting. He gives great attention to detail and will often take dozens of photos until he is satisfied with the lighting, placement and result. This allows the school a wide range of choice of finished product.

Over the years we have found Des to be prompt in his delivery, accurate in his attention to detail and very reasonably priced. We have also benefited from the proceeds and have been able to apply this to the education of our students.

We would happily recommend Des Ellery Photography and attest to the wonderful photographs he creates.

Yours faithfully,

Re: Reference for Des Ellery Photography

Our school was fortunate to be able to secure the services of Des Ellery Photography for our 150th Anniversary celebrations held over Labour Weekend 2012.

Des made sure all settings were organised well before the event. He had no hesitations about coming on site on a regular basis to check and follow up on planning.

His advice in regard to what type of photographs and how long it would take proved to be 'spot on' and although we had many different sittings over a few hours, these all ran smoothly and without too much delay.

Des and his team made themselves available at all our functions throughout the weekend, and took many wonderful quality photographs to give us a thorough history of the event for years to come.

Thank you Des! We hope to see you again at our next celebrations!

Yours Faithfully

To Whom It May Concern:

Des Ellery provided photography services over our Centenary weekend. He provided both casual and formal photos which were all of a high quality.

He liaised regularly prior to the event to ensure he understood our requirements.

Photos were available for viewing the day after the event and all photo ordering was managed efficiently by his staff.

I recommend Des Ellery photography for any similar events.

To Whom It May Concern

Mr Des Ellery of Des Ellery Photography was appointed by the Burnside High School Jubilee Committee as the official photographer for the schools 50th jubilee at Easter Weekend 2010.

We found him to be very well organised, both in his preparations and his work over the weekend. We have also received favourable comments from people, who purchased photos from him, that the ordering system and delivery were very professional.

We have no hesitation in recommending him as a photographer for any similar event.

To whom it may concern,

Our Jubilee Committee chose Des Ellery to take all the photos at our School Jubilee held 6 – 8th January 2006.

Des was able to meet with us in 2005 and make suggestions as to where it would be best to take the photos, and to discuss what we would need in the way of tiered seating. We were fortunate to obtain seating from the Mid Canterbury Rugby Union, and although rather large to handle it made for good spacing in the decade photos.

Our largest decade was around 99 and Des organized all groups in a very professional manner, along with a good sense of humour which is needed on such an occasion. The time taken for each group was minimal and people where able to order straight away if they wished.

We had a Friday night function which Des attended, Saturday Official Opening and Decade photos, and these where all on display at the Saturday night Dinner at The Ashburton Hotel, where old pupils were able to view and order. Sunday all photos from the weekend were once again on view at the BBQ back at the Hinds School, very efficient considering the distance we are from Christchurch.

All orders were dispatched in a very short time and everyone seems very happy with the quality of the product.

We would have no hesitation in recommending Des Ellery Photography for any function requiring a photographer.

Dear Des

RE: RICCARTON HIGH SCHOOL 50TH JUBILEE –
ANZAC WEEKEND 2008

On behalf of the organising committee for the Riccarton High School 50th Jubilee Celebrations, we would just like to acknowledge the superb service, quality of photographs and your availability to attend all functions planned for the weekend.

To have such a great collection of photographs taken over the 3 days of the Jubilee is such a valuable archive for this very memorable occasion.

Our sincere thanks for such an excellent job.

Yours sincerely
